PROFILE

Aspiring UI/UX Designer with hands-on internship experience in user research, wireframing, prototyping, and interaction design. Skilled in Figma, Adobe XD, and the Adobe Creative Suite, with a growing portfolio of personal projects in mobile app and e-commerce design. Combines a computer applications background with a strong interest in creating accessible, user-centered digital experiences.

EXPERIENCE

UI/UX Designer Intern | *Fresh Mind Ideas, Technopark, Thiruvananthapuram*

April 2026 – July 2026

- Collaborated with the design team to create wireframes, mockups, and interactive prototypes for client projects using Figma.
- Conducted user research and usability testing to inform design decisions and improve user experience.
- Assisted in building and maintaining design systems to ensure consistency across products.

UI/UX Intern | *The Kreative Academy, Edappally, Kochi*

December 2025 – February 2026

- Designed user interfaces and user flows for web and mobile applications as part of academy training projects.
- Practiced core UI/UX principles including information architecture, responsive design, and accessibility guidelines.
- Presented design concepts and iterated based on peer and mentor feedback.

Technical Intern | *Srishti Innovative Computer Systems, Trivandrum*

April 2024

- Gained exposure to technical support and computer systems fundamentals, building a foundation in troubleshooting and IT workflows.

PROJECTS

Attune – Dating Application (UI/UX Design)

Personal Project

- Designed end-to-end UI/UX for a dating app concept, including onboarding, matching, and chat flows.
- Created wireframes and high-fidelity prototypes in Figma focused on intuitive navigation and engagement.

Mono – E-Commerce Website (Gaming Equipment)

Personal Project

- Designed a responsive e-commerce website concept for gaming equipment, covering product listing, cart, and checkout flows.
- Applied visual hierarchy and modern UI patterns to enhance product discoverability and conversion.
